Minutes of meeting

Date: 13/11/2023

Group members attending: Nazim, Angel

Topics to discuss: Win Forms UI design

We had a brief talk with our client to keep her updated on what is going on with the project. The main goal for our talk was the new UI. After that the client had some remarks and wants. Here are some key points:

- Implement email notifications for actions like adding or editing a user by an employer.
- Define specific time slots (9 - 17) for shift times.
- Implement notifications based on departments for employees.
- Integrate an announcements feature for employees.

In summary, we talked about UI and future implementation wanted by the client
